

ABC UPDATE

December 2003

<http://abc.ppr.ky.gov>

LOCAL OPTION ELECTIONS—RESULTS AND WHAT TO EXPECT

The following cities or counties voted on November 4, 2003 in favor of Limited Restaurant licensure:

Oldham County (Countywide) Johnson County (City of Paintsville only)
Graves County (City of Mayfield only) Mercer County (City of Harrodsburg only)
Livingston County (City of Carrsville)

The South Seven Hills Precinct in Daviess County voted to repeal prohibition on September 30, 2003.

On December 23, 2003, Boyle County has scheduled an election in Precinct D102 for sales at a golf course.

The Mark #30 Precinct in Pulaski County will hold an election on January 13, 2004 for a referendum for the sale of wine at the Cedar Creek Vineyard, LLC.

When a majority of the votes cast in an election are in favor of the discontinuance of prohibition in a territory, prohibition shall cease to be in force and effect at the end of the sixtieth (60th) day from the date of the entry of the certificate of the county board of election commissioners in the order book of the county judge/executive.

If the county judge declines the position of alcoholic beverage control administrator, he may appoint a person under 241.110 who is able to qualify to serve at the pleasure of the county judge/executive as county alcoholic beverage control administrator in cities of first four classes. ABC can give out applications after the territory has voted wet. Applicants must advertise their intentions (1) time in the largest paid circular newspaper in the county where their business will be located. This ad must be thirty (30) days prior to the issuance of their license. This is outlined in our application instructions.

Under KRS 243.370, the local ABC Administrator must first approve an application before forwarding to the state ABC.

STAR TRAINING UPDATE

On November 15, 2003, the Education Branch conducted a "Train the Trainer" program with Eastern Kentucky University to enable our twenty (20) new instructors across the state to provide the S.T.A.R. Training Program to all licensees. With the addition of these new instructors we will now be able to offer much more flexible class times including nights and week-ends. As very positive results are being obtained from those who have already attended the training, and numerous liability insurance companies are requiring proof of training, we encourage you to consider training all employees that deal with the sale and/or service of alcoholic beverage. Please contact Sandra, Harry or Laura at 502/564-4850 for information.
